

Am I feeling?
Am I appreciative?
Am I listening?
Am I forgiving?

POWER OF *Intimacy*

The Power of Intimacy workshop is an opportunity for you to redefine what it means to be intimately related, to reassess your concept of 'self'.

It allows you to open up to a new powerful level of possibility, to challenge some of your long-held habitual and fixed ways of seeing the world around you.

See what is possible in the world when you focus on commonality instead of difference; on our shared humanity and our shared existence on this planet.

Recommended for LPs and Graduate LPs.

Tuition Fee: RM2000

(10% discount if you signed up as a pair*)
